GRAHAM'S TAKE-AWAY FOODS OPENS AT OXBOW PUBLIC MARKET

August 3, 2010, Napa, CA – Graham's Take-Away Foods is now open at Oxbow Public Market, located at 610 and 644 First Street in the Oxbow District of downtown Napa, CA. Graham's Take-Away Foods is located in the main Market Hall, offering innovative, locally-sourced, quality breakfast, lunch and dinner items for take home or dine-in.

Graham's Take-Away Foods is designed for locals who want amazing fresh food without having to slave over a hot stove, offering one-of-a-kind creations for breakfast, lunch and dinner. Owners Graham and Andrea Zanow are graduates of the Culinary Institute of America in Hyde Park, New York, and Chef Graham Zanow worked at the world renowned French Laundry in Yountville, California.

"The idea for Graham's Take-Away Foods is to execute everyday casual cuisine at the highest possible level," explained Graham Zanow. "We wanted to open up a place where we make everything from scratch, from our daily entrée specials down to our salads and muffins."

Graham's Take-Away is open at 8:00 a.m. for breakfast where you can indulge in a slice of the daily quiche, like the caramelized onion & gruyere quiche, or Graham's homemade granola with your choice of organic clover yogurt or milk. Fresh squeezed juices are available daily and on the way are Graham's artisan breakfast sandwiches. Other everyday offerings include comforting baked goods such as their ultimate zucchini bread, old-fashioned banana bread, green chile & cheddar cornbread and blueberry streusel muffins.

Lunch features a bounty of gourmet items, including two different types of wraps and sandwiches per day. Selections may include the smoked Willie Bird turkey, a havarti & pesto mayo wrap, the ham, brie & mango chutney wrap or the grilled sushi grade ahi tuna sandwich with wasabi mayo, English cucumber, avocado, pickled ginger & arugula.

Graham's Take-Away takes a modern approach to the deli salad, where they produce over 75 different types of their specialty salads. At any given time there can be 15 different salads in the display case including anything from their Tex Mex quinoa salad with grilled corn & honey lime dressing, to their smoked mozzarella penne pasta salad with sundried tomatoes and asiago cheese.

Graham's Take-Away will soon offer one packaged entrée per day, offering diners the choice of either heating at home or having it heated up for enjoyment at the Oxbow market.

"Our approach is an ever changing menu, where our selections change everyday according to what is in season, what items are popular and most importantly what we feel passionate about producing on any given day," Graham said.

"With the addition of Graham's Take-Away Foods, the Market is near capacity with a variety of exceptional food vendors," stated Steve Carlin, Founder & CEO of Oxbow Public Market. "Graham's Take-Away provides a terrific combination of quality and convenience that our

Oxbow visitors will appreciate," Carlin added.
