Oxbow Public Market Announces Two New Tenants

**CA' MOMI ENOTECA AND GRAHAM'S TAKE-AWAY FOODS TO OPEN AT
OXBOW PUBLIC MARKET**

May 28, 2010, Napa, CA -- Oxbow Public Market, located at 610 and 644 First Street in the Oxbow District of downtown Napa, CA, has announced two new tenants - Ca' Momi Enoteca and Graham's Take-Away Foods. Both are scheduled to open later this summer. With the addition of Ca' Momi Enoteca and Graham's Take-Away Foods, the main Market Hall at Oxbow Public Market is fully leased.

Ca' Momi, three Italians making wine in the Napa Valley, will open a classic Italian pizzeria, pasticceria and enoteca wine bar with retail. The new business will pay tribute to the land of their birth and the food and wines that they love. Owners Dario De Conti, Valentina Guolo-Migotto and Stefano Migotto explain: "When we came to America, we knew we wanted to make wine here, and to capture some of the spirit of our family traditions. In Italy, wine is a part of life, and we combine it with wonderful food. In the new enoteca we will have all kinds of authentic treats: real pizza - the classic Neapolitan style we like to make from our wood burning oven; tramezzini, crostate and crostatine di frutta, baci di dama, zaetti, tiramisu', cantucci and biscotti from the pasticceria. And of course great wines."

The Enoteca will feature not only Ca' Momi, wines, but also a selection of wine discoveries from smaller regions and producers in Italy. "We will bring in wines from our friends around Italy, always looking for something different and interesting - something that we think captures the spirit of Italian life," says Dario.

Graham's Take-Away Foods is designed for locals who want to eat amazing fresh food without having to slave over a hot stove, offering its one of a kind creations for breakfast, lunch and dinner. Owners Graham and Andrea Zanow are graduates of the Culinary Institute of America in Hyde Park, New York, and Chef Graham Zanow worked at the world renowned French Laundry in Yountville, California.

Breakfast fare will include signature individual loaf cakes, French bistro-style quiches, and a large grab-and-go selection of fresh fruit salads and just squeezed juices, along with yogurt parfaits layered with Clover yogurt, house made granola, seasonal fruit and a layer of Katz and Company preserves.

Lunch will feature a bounty of gourmet items, including their signature Rocky Jr. curry chicken wrap, a Mediterranean tuna salad pita or a Diestel turkey sandwich on foccacia with smoked mozzarella, heirloom tomatoes and basil mayo. Graham's Take-Away Foods will always offer great vegetarian options as well like their Greek mezze platter, Caprese wrap on a tomato tortilla or a truffle and herb egg salad sandwich on brioche.

Packaged salads with all homemade dressings will be featured, as well as Graham's very own line of contemporary deli salads. They will have over 50 different pasta, potato, veggie and grain salads that will rotate through their cold case. For dinner, packaged ready to heat and eat comfort foods are definitely on the menu. Organic meatloaf with boursin whipped potatoes and glazed rainbow carrots or classic roasted chicken with herb de provence roasted vegetables and pan gravy are a few examples. Dinner side dishes will be available as well.

Graham's Take-Away Foods will also offer specials during the Market's Tuesday Locals' Night with exciting options like buffalo chicken salad sliders or a beer bratwurst on a Model Bakery bun.

"The Market is now full of a variety of exceptional food vendors," stated Steve Carlin, Founder & CEO of Oxbow Public Market. "Ca' Momi Enoteca will serve the pizzas and authentic Italian pastries we've been missing while featuring their amazing affordable wines. And Graham's Take-Away Foods will provide a innovative selection of quality, locally sourced, prepared foods for dine-in or to take home – I can't wait," Carlin added.

About Ca' Momi

Ca' Momi wines are named for the family home in Northern Italy. The name pays tribute to Momi dea Bionda, a local character who was famous for his obsession with the house, his grapes and his wine. Momi's protective spirit is still watching over the property. In his later years he liked to ride around the property in an old motorcycle, with his blind dog sitting in the sidecar. He would patrol the vineyards, armed with a rifle, just to make sure that his grapes were safe. Ca' Momi captures the spirit of our family traditions. Of course, we are just a little bit obsessive about our wines and our food, too!
